CELEBRATING BLACK HISTORY MONTH

As we celebrate Black History Month we recognize the achievements by historical figures including the Tuskegee Airmen, Harriet Tubman and current icons of strength and determination such as Gabrielle Douglas. These people have exhibited dedication to their beliefs and inspired others to strive for excellence in all they do.

As the school year continues, we expect our students to

exhibit the same pride and dedication in all aspects of their life. In partnership with you, we will continue to remind students of the value of hard-work and persistence in overcoming obstacles and striving for success.

To achieve academic success we stress to students the importance of being:

- **Timely** and consistent with attendance.

- **Determined** when engaging in classwork and homework.
- **Confident** when taking tests and quizzes.
- **Proud** to serve as role models for their peers and the community.

As always we look forward to continuing to strengthen the home and school connection and foster a culture of collaboration.

-Ms. Flores
